# Former CLCA State President Jon Ewing Sells Mobile eCommerce App

Jon Ewing, former 1993 State CLCA President, recently sold his innovative mobile eCommerce app to national ecommerce provider Bower and Branch. Ewing founded the PlantFast app in May of 2017 and is in mid-development stage. The app includes the following features:

- Marketplace – Buy plants and encourage the purchase of tie-in garden center items!
- Latest Buzz – Garden topics geared toward promoting those plants we offer.
- Idea Center – Garden themes designed to inspire users to use the plants we feature.
- New Introductions – See the newest and best plants featured in our Marketplace.
- My Library – Plant library where our users store and share photos of their favorite plants.
- Plant Visualization – See how our plants will look in your garden space through Augmented Reality.
- Photographic Plant Identification – Click and identify. We can go as far as to have audio plant information provided by horticulturalists and growers.

All functions are designed to promote, educate, and encourage users toward our marketplace.

Ewing founded Landtrends, Inc., a landscape construction and maintenance firm in 1991 and eventually sold the company to LandCare USA. He views the

Bower and Branch acquisition as an extremely positive evolution for PlantFast enabling a continuation of its vision and progressive approach designed to innovate the retail Garden Center Industry and how plants are sold.

PlantFast and Bower and Branch eCommerce efforts are designed to attract all segments of the market with a special emphasis designed to engage, and cultivate X Gen and Millennial customers who represent the largest segment of discretionary spenders in the USA.

The PlantFast Team included an all-star cast of industry and business veterans:

- Ken Cook, CEO of McKenzie Farms and Green Industry Hall of Fame inductee.
- Tom Ewing, former president of Miramar Wholesale Nurseries, Inc. and current consultant for Proven Winners national plant brand through his firm, Regional Resources.
- Jerry Halamuda, co-founder and chairman of the board of Color Spot.
- David House, president Village Wholesale, LLC.
- Ken Kisner, co-founder of Triangle Digital LLC, former president of INX Digital, and founder of Molecule Corp.

Ewing indicates that he will join the Bower and Branch Strategic Advisory Board and work to assist them with their national efforts in eCommerce.

## president's message

# Celebrating CLCA All Stars!

*Eric Santos, CLT, CLCA East Bay Chapter President*

I would like to take this opportunity to thank everyone who made our 2018 Awards Banquet a huge success! Past President Roxy Wolosenko and Farrin White with WaterSavers selected a beautiful venue and Laura Leuer made sure everything all came together perfectly.

Thank you to Chris McNairy with Hunter FX, who was a terrific MC, and thank you to Andrew Tuckman with Vision Recycling and the CLCA All Star Band for providing fun entertainment!

Special thanks go to Bamboo Pipeline, CLCA Insurance Solutions, Delta Bluegrass, Devil Mountain Wholesale Nursery, Ewing Irrigation, Imperial Sprinkler Supply, Landscape Contractor Insurance Services, LH Voss, Horizon, Hunter FX, Peninsula Building Materials, SiteOne Landscape Supply, StopWaste, Rain Bird, Vision Recycling, and WaterSavers for sponsoring awards at this year's event.

As always, this year's entries included some of the bay area's most beautiful projects. I can only imagine that selecting a winner for each category was extremely difficult for our judges. Thank you to Steve Blanchard with Imperial Sprinkler Supply and Maura Baldwin with Panoramic Designs for taking time to assist us with

judging. Thank you to Paul Wong with Imperial Sprinkler for helping with transportation and for sponsoring wine at the dinner.

Congratulations to Peter Rosen with Dynamic Designs for being this year's Sweepstakes Installation winner for his project in the Medium Residential Installation category and to Indian Rock Landscapes for receiving the Sweepstakes Maintenance award for their project in the Large Residential Maintenance category.

Rubicon Landscape was this year's Achievement Winner in the Small Commercial Maintenance category and Suma Landscaping won the Achievement Award for Petite Residential Installation.

Allied Landscape Services won Achievement Awards in both the Large Commercial Installation and Maintenance categories, while JPA Landscape and Construction won the Beautification Award and Judges Award for their project in the Large Commercial Maintenance category.

Congratulations to Garden Lights for winning the Achievement Award in Large Design Build Installation and two Beautification Awards in Custom Residential Installation and Medium Design Build Installation.

Past The Gate received 3 Achievement Awards in the Large and Medium Residential Installation and Sustainable Landscape Installation categories.

Congrats to Terra Landscape, who won 3 Beautification Awards in both Large and Small Commercial Installation and in Sustainable Landscape Installation.

There were two firms that tied in winning 4 awards each this year. Calvin Craig Landscaping won an Achievement Award in the Small Design Build category and three Beautification Awards for Large and Small Design Build and Renovation Installation.

Roxy Designs was our other big winner winning Achievement Awards in the Renovation and Medium Design Build categories and Beautification Awards in the Medium Residential Installation and the Water Conservation Installation categories. Photos and names of the projects as well as photos from the awards banquet can be found on pages 5-8 of this issue or on the web at [clcaeastbay.org/awards.html](http://clcaeastbay.org/awards.html),

For those of us who didn't win awards, we still had a wonderful time. The awards banquet is always a great time to connect with old friends and make new ones. Thank you to everyone who attended the event.

As a reminder, please join us at the A's vs. Giants baseball game and tailgate party, on Friday July 20th. Visit the chapter website at [www.clcaeastbay.org](http://www.clcaeastbay.org) for tickets. PLEASE NOTE: The tailgate party will not be in the same location as previous years. Look for the Ewing Party Truck in the B Lot

# Enter the Trophy Awards

Entries are now being accepted for the California Landscape Contractors Association's 2018 Trophy Awards, a statewide celebration of excellence in landscaping.

An interactive fill-in-the-blank PDF entry form is available at [clca.org/trophyawards/application.pdf](http://clca.org/trophyawards/application.pdf)

The association presents the Trophy Awards to encourage interest in landscaping, recognize crafts people who produce outstanding landscapes, create pride in superior workmanship and to bestow public recognition on companies, institutions, municipalities and residents for their interest in a beautiful California.

Any chapter Beautification Award winner is encouraged to enter that project into the state Trophy Awards program.

The deadline to enter at the discounted early bird rate is August 1, 2018 (postmarked).

The awards will be judged in September by two highly regarded landscape contractors, who will travel state-wide to personally inspect each and every one of the Trophy Award entrants. The judges rate projects on their artistic and technical merits.

Awards will be presented Friday, November 9, 2018 during the CLCA Annual Convention in San Diego, CA.
