president's message

Congratulations Winners!

Leeanna Schoeder

CLCA East Bay Chapter President

It's the time of year when most chapters are celebrating the fantastic work of their members at their Beautification Awards Programs. The East Bay Chapter is no exception. We celebrated our winners at a wonderful event on Friday, June 7. As our Mission Statement states: CLCA serves and protects the interests of its members, promotes professionalism and advances public awareness of the landscape industry. The beautification awards helps to solidify our mission statement by acknowledging members who have, through hard work and attention to detail, produces landscape installation and maintenance projects that are beautifully impressive.

This month's newsletter acknowledges the winners and our sponsors, both of whom make the awards program possible. Please take time to look through the list of winners and admire their hard work. And, thank our sponsors for continually supporting our chapter and this awards program.

CLCA is now accepting entries for the Trophy Awards, the statewide landscape awards program. Awards will be presented on November 15 during the CLCA Annual Convention in South Lake Tahoe. Look for more information at www.clca.org/trophyawards.

Congratulations to our chapter winners and good luck in the Trophy Awards!
